

Dear prospective Wagtime client:

We welcome you to Come and visit a happy and healthy place offering only the highest standards in pet care and customer service. Nutritional foods, great toys, yummy treats and unconditional style meet all of your pet's essential requirements and ensure owner peace of mind.

We provide the best and only indoor/outdoor, cage-free doggie daycare and boarding facility in N.W. Washington D.C, as well as providing services to pet friendly hotels in The Nation's Capital.

Prior to boarding or attending our cage-free daycare, all dogs must complete a complimentary day trial. The trial enables our staff to properly introduce themselves to your pet and determine if Wagtime will be the most appropriate environment for him or her. Don't worry; they usually love our friendly staff members and their new canine friends. (The hardest part is getting them to leave)! We play with them all day and sleep with them at night. What could be better?

Other services we offer include: grooming and styling, home dog walking and feline care and a conveniently located pet boutique carrying nutritious foods, yummy treats, fun toys, hip carrying bags, comfy beds and more. Pick up and drop off of your pet(s) and a prompt delivery service of their favorite essentials are available upon request.

Wagtime Pet Spa & Boutique(s) is "***embarking on the future***".
